Jay Lewis won our competition about food in your city. Here's his winning article.

I live in Tucson, Arizona. Here are my favorite places to eat in my city.

Little Anthony's

We often go to Little Anthony's on the weekend. It's in the center of town, so we walk there. I usually have a traditional American breakfast with ham and eggs. I always have three eggs! I also have some sweet pancakes with a little maple syrup. Maple syrup is a very sweet liquid that comes from a tree. It's great!

El Charro Mexican

My parents' favorite Mexican place is El Charro Café. It's a very old restaurant in the historical part of the city. It takes us twenty minutes to get there by taxi. We're going there next week because it's my sister's birthday. Mexican cooking uses a lot of beef and tomatoes. My favorite food at El Charro's is chicken with chocolate – it tastes fantastic!

Big Jake's B-B-Q

We sometimes go to the Old Tucson Studios. It's a cowboy movie studio. It takes half an hour to get there by car from Tucson. I love it because you can see where some famous people like Leonardo Di Caprio and Russell Crowe made movies. When we go there, we go to Big Jake's restaurant. It has fantastic barbecue chicken, beef, and pork. My favorite food there is barbecued beef with tomatoes!
