

# 9 Vocabulary Worksheet

## Personal care products

1. Look at the photos. Write the personal care products in the puzzle. Then unscramble the shaded letters to find the mystery product.

Mystery product: \_\_\_\_\_

2. Match the parts of words. Then write the complete words.

- |            |           |                   |
|------------|-----------|-------------------|
| 1. tooth   | a. up     | <u>toothpaste</u> |
| 2. shaving | b. paste  | _____             |
| 3. hair    | c. polish | _____             |
| 4. make    | d. cream  | _____             |
| 5. nail    | e. gel    | _____             |

3. Choose the correct words.

- Don't forget to put **shaving cream** / sunscreen on before you go to the beach. You don't want to burn!
- My hair feels very dry. I think I need to change the **makeup** / **shampoo** that I use.
- Make sure you wash your hands carefully with **toothpaste** / **soap**.
- Sam doesn't smell good after he's done sport. I think he needs a better **body lotion** / **deodorant**.
- I tried this new **hair gel** / **face wash** and now all my pimples have gone!
- That red **shaving cream** / **nail polish** looks awesome – it goes with your dress!
- You can use **shampoo** / **hair gel** to get your hair into the style you want.
- I don't wear **face wash** / **makeup** on my face every day – only when I go out.
