

1 Read the paragraphs. Answer the questions. Write the correct names.

<p>Sean is extremely clever! He's great at Maths. At just 9 years old, he started his own Maths club. Last week, he won a Maths tournament at school. Sean wants to become a doctor when he grows up. He's also very athletic. He wants to climb Mount Everest when he's older!</p>	
<p>Emma's amazing! She's a brilliant athlete. She plays tennis and basketball. Her basketball team has just won a big tournament. Emma was the captain! Emma also loves Social Science. Her two biggest dreams are to write a book and meet the Prime Minister one day!</p>	
<p>Carlos is very talented! He plays the piano and guitar. He's great at Science and speaks English and Spanish. He also loves building things. When Carlos grows up, he wants to start his own company and invent something important.</p>	

- Who wants to meet a world leader one day? _____
- Who plays musical instruments? _____
- Who wants to climb a mountain one day? _____

2 Look at Activity 1. Now read the sentences. Circle *T* for *True* and *F* for *False*

- | | | |
|--|---|---|
| 1. Sean and Carlos have won tournaments. | T | F |
| 2. Sean wants to become a doctor when he grows up. | T | F |
| 3. Emma wants to write a book. | T | F |
| 4. Emma can speak another language. | T | F |
| 5. Carlos wants to invent something. | T | F |
| 6. Carlos wants to start his own company. | T | F |

3 Complete the sentences. Use the present perfect form of the verbs in brackets and *for* or *since*.

- I _____ (be) a mountain climber _____ seven years.
- He _____ (play) the guitar _____ three years.
- My sister _____ (have) long hair _____ she was four.
- Mike _____ (live) there _____ he was a baby.
- I _____ (study) _____ two hours!

4 Write questions. Use the present perfect form of the verbs.

1. A: _____

B: I've practised the piano for three hours today.

2. A: _____

B: He's taught the violin since 2004.

3. A: _____

B: They've performed as a band for 13 years.

4. A: _____

B: She's played chess since she was six.

5 Read the paragraph. Then answer the questions using the present perfect continuous form of the verbs.

Leo and Lily are amazing kids! They are 13. Leo began studying Chinese when he was six. He loves it. His twin sister, Lily, loves painting. She's been painting since she was four. Five years ago, the twins took part in a chess tournament for the first time and they won! They started playing chess when they were five. Leo and Lily want to achieve even more as they get older!

1. How long has Leo been studying Chinese?

2. How long has Lily been painting?

3. How long have the twins been playing chess?

6 Everyone dreams about doing great things in their lifetime. Think about your biggest goals. Write about two or three of them.
